

2017-Counselor in Training (CIT) Leadership Camp

Dear Parent and CIT,

Thank you for your interest in our Camp Shalom Counselor In Training Camp. We are very excited to have register your teen in our CIT Camp this summer. Please take the time to read through this letter. **To be eligible to be a CIT, your son/daughter must be entering 7th grade August 2017.**

CIT registration starts March 1st, space is limited each week.

CSJCC-Camp Shalom is DHS licensed and we follow the licensing requirements as a Child Care Center, even though we are a summer camp. The following was implemented summer 2014. "DHS has eliminated "teen aides" (which we called CITs) and now considers them campers. So for us to be able to keep the "CIT Program" we are now calling it "CIT camp".

- You must register your CIT for the weeks they can attend "CIT Camp" using the online system (www.csjcc.org)- same system you used when your CIT was a camper.
- CIT's will be counted towards our camper: staff ratio, as a camper
- If your camper needs before and/or after care, they must be registered. CIT's are considered campers and must be supervised while on campus.
- A charge per week of \$50 for JCC/JFT Members and \$75 for Non JCC/JFT Members before May 1st. After May 1st the weekly charge increases by \$25 per week
- Campers entering 9th & 10th grade are given a stipend of \$50 per week.
- Charges:
 - Before Care: \$10 per week
 - After Care: \$15 per week
 - JCC/JFT members: \$50 per week (after May 1st \$50 per week)
 - Non JCC/JFT members: \$75 per week (after May 1st \$65 per week)
